

Sharing your information to improve your care

In Hillingdon we are making **positive changes** to improve the ways we help you to **stay well**.

Sharing your care information with your consent among health and social care professionals who are looking after you will deliver more co-ordinated care for **your benefit**

Providing people with their **own integrated care record**

Ask your care professional for further details or pick up a leaflet or find out more at: www.hillingdonccg.nhs.uk/integratedcare

If you have any questions *email:* breccg.NWLWholesystems-ISA@nhs.net
